IT IT SEPSIS? LYRIC

Listen very carefully to what I say, make sure you do because there is no other way
To let you know about _____, how _____ it can be, to take one away
from the family.

Now this is no laughing matter, you don't wanna lose a mate, you gotta check for the _____
and this cannot wait.

It can _____ really fast in only two (a few) hours. And that's not alot of time, so do a check
right now!

Is It Sepsis x8

There are warning signs that you just might see, but you gotta act fast cause they
happen _____.

If you start to _____ and you're a quivering mess, don't go slow, acting _____
is the best.

If you're feeling really _____ and then you're suddenly _____, then I bet you have a
_____ more times than not.

It's time to get _____ so you can be really sure. Sepsis acts fast, it will have you
floored.

Is It Sepsis x 8

My _____ is pumping, but I haven't been jumping. I can hardly take a step without losing
my _____.

Now these are _____ signs that it might be more than an _____
dont _____ your life, cmon and ask the _____

If you're _____ than a dog and you don't know why, _____ started
small, now you feel like you could _____.

And if you're in such a state, hurry up don't wait. Ask someone who's around you. Be it family or mate.

Is It Sepsis x 8

Child In Hospital Bed: What happened?

Nurse: You've been very _____ with sepsis, but thank goodness you're ok

You have your friends to thank for saving your _____ by getting you to _____
early.

Child In Hospital Bed: I sure do have my friends to thank!
